Re: Care Point Health - Christ Hospital
Case 22-RD-283644

Dear Ms.Deronceray:

Enclosed is a copy of a petition that (b) (6), (b) (7)(C) filed with the National Labor Relations Board (NLRB) seeking to decertify 1199J as the collective-bargaining representative of certain of your employees. After a petition is filed, the employer is required to promptly take certain actions so please read this letter carefully to make sure you are aware of the employer's obligations. This letter tells you how to contact the Board agent who will be handling this matter, about the requirement to post and distribute the Notice of Petition for Election, the requirement to complete and serve a Statement of Position Form, the Petitioner's requirement to complete and serve a Responsive Statement of Position Form, a scheduled hearing in this matter, other information needed including a voter list, your right to be represented, and NLRB procedures, including how to submit documents to the NLRB.

Investigator: This petition will be investigated by Field Attorney MICHAEL P. SILVERSTEIN whose telephone number is (862)229-7059. The Board agent will contact you shortly to discuss processing the petition. If you have any questions, please do not hesitate to call the Board agent. If the agent is not available, you may contact Supervisory Field Examiner FRANK W. FLORES whose telephone number is (862)229-7051. The Board agent may also contact you and the other party or parties to schedule a conference meeting or telephonic or video conference for some time before the close of business the day following receipt of the final Responsive Statement(s) of Position. This will give the parties sufficient time to determine if any issues can be resolved prior to hearing or if a hearing is necessary. If appropriate, the NLRB attempts to schedule an election either by agreement of the parties or by holding a hearing and then directing an election.

Required Posting and Distribution of Notice: You must post the enclosed Notice of Petition for Election by **Wednesday, October 6, 2021**, in conspicuous places, including all places where notices to employees are customarily posted. The Notice of Petition for Election must be posted so all pages are simultaneously visible. If you customarily communicate electronically with employees in the petitioned-for unit, you must also distribute the notice electronically to them. You must maintain the posting until the petition is dismissed or

withdrawn or this notice is replaced by the Notice of Election. Posting and distribution of the Notice of Petition for Election will inform the employees whose representation is at issue and the employer of their rights and obligations under the National Labor Relations Act in the representation context. Failure to post or distribute the notice may be grounds for setting aside an election if proper and timely objections are filed.

Required Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, the employer is required to complete the enclosed Statement of Position form (including the attached Commerce Questionnaire), have it signed by an authorized representative, and file a completed copy (with all required attachments) with this office and serve it on all parties named in the petition such that it is received by them by **noon Eastern Time on Tuesday, October 12, 2021**. This form solicits information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. **This form must be e-Filed, but unlike other e-Filed documents, will *not* be timely if filed on the due date but after noon Eastern Time.** If you have questions about this form or would like assistance in filling out this form, please contact the Board agent named above.

List(s) of Employees: The employer's Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the employer contends that the proposed unit is inappropriate, the employer must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Failure to Supply Information: Failure to supply the information requested by this form may preclude you from litigating issues under Section 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a

voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§ 102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Responsive Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, following timely filing and service of an employer's Statement of Position, the petitioner is required to complete the enclosed Responsive Statement of Position form, have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in the employer's Statement of Position, such that it is received no later than **noon Eastern Time on Friday, October 15, 2021.**

Notice of Hearing: Enclosed is a Notice of Representation Hearing to be conducted at **10:00 AM on Wednesday, October 20, 2021**, if the parties do not voluntarily agree to an election. If a hearing is necessary, the hearing will run on consecutive days until concluded unless the Acting Regional Director concludes that extraordinary circumstances warrant otherwise. Before the hearing begins, the NLRB will continue to explore potential areas of agreement with the parties in order to reach an election agreement and to eliminate or limit the costs associated with formal hearings.

Upon request of a party showing good cause, the Acting Regional Director may postpone the hearing. A party desiring a postponement should make the request to the Acting Regional Director in writing, set forth in detail the grounds for the request, and include the positions of the other parties regarding the postponement. E-Filing the request is required. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Other Information Needed Now: Please submit to this office, as soon as possible, the following information needed to handle this matter:

- (a) A copy of any existing or recently expired collective-bargaining agreements, and any amendments or extensions, or any recognition agreements covering any of your employees in the unit involved in the petition (the petitioned-for unit);

- (b) The name and contact information for any other labor organization (union) claiming to represent any of the employees in the petitioned-for unit;
- (c) If potential voters will need notices or ballots translated into a language other than English, the names of those languages and dialects, if any.
- (d) If you desire a formal check of the showing of interest, you must provide an alphabetized payroll list of employees in the petitioned-for unit, with their job classifications, for the payroll period immediately before the date of this petition. Such a payroll list should be submitted as early as possible prior to the hearing. Ordinarily a formal check of the showing of interest is not performed using the employee list submitted as part of the Statement of Position.

Voter List: If an election is held in this matter, the employer must transmit to this office and to the other parties to the election, an alphabetized list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular telephone numbers) of eligible voters. Usually, the list must be furnished within 2 business days of the issuance of the Decision and Direction of Election or approval of an election agreement. I am advising you of this requirement now, so that you will have ample time to prepare this list. The list must be electronically filed with the Region and served electronically on the other parties. To guard against potential abuse, this list may not be used for purposes other than the representation proceeding, NLRB proceedings arising from it or other related matters.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before us. If you choose to be represented, your representative must notify us in writing of this fact as soon as possible by completing Form NLRB-4701, Notice of Appearance. This form is available on our website, www.nlr.gov, or at the Regional office upon your request.

If someone contacts you about representing you in this case, please be assured that no organization or person seeking your business has any “inside knowledge” or favored relationship with the NLRB. Their knowledge regarding this matter was only obtained through access to information that must be made available to any member of the public under the Freedom of Information Act.

Procedures: Pursuant to Section 102.5 of the Board’s Rules and Regulations, parties must submit all documentary evidence, including statements of position, exhibits, sworn statements, and/or other evidence, by electronically submitting (E-Filing) them through the Agency’s web site (www.nlr.gov). You must e-file all documents electronically or provide a written statement explaining why electronic submission is not possible or feasible. Failure to comply with Section 102.5 will result in rejection of your submission. The Region will make its determinations solely based on the documents and evidence properly submitted. All evidence submitted electronically should be in the form in which it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native

format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the petition.

Information about the NLRB and our customer service standards is available on our website, www.nlr.gov, or from an NLRB office upon your request. We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

National Labor Relations Board

NOTICE OF PETITION FOR ELECTION

This notice is to inform employees that **(b) (6), (b) (7)(C)** has filed a petition with the National Labor Relations Board (NLRB), a Federal agency, in Case 22-RD-283644 seeking an election to determine if the employees of CARE POINT HEALTH CHRIST HOSPITAL in the unit set forth below wish to be represented by 1199J for the purposes of collective bargaining:

INCLUDED: All full-time and regular part-time non-professional employees in the job titles Building Service Attendants, Cashier (Dietary), Cashiers (Parking), Clinical Partners, Clinical Nursing Assistants, Cooks, Dietary Assistants, File Clerks, Food Service Aides, Guest Relations Associates, Laboratory Assistants, Laboratory Clerks, Lead Attendants, Lead Food Service Aides, Lead Utility Workers, Patient Scheduling Specialists, Patient Representative Liaisons, Registration Associates, Rehabilitation Aides, Support Partners, Unit Secretaries, Utility Workers, Waste Management Attendants employed by the Employer at its 176 Palisade Avenue, Jersey City, New Jersey facility.

EXCLUDED: All professional employees, technical employees, business office clerical employees, skilled maintenance employees, managers, guards, and supervisors, as defined in the Act, and all other employees.

This notice also provides you with information about your basic rights under the National Labor Relations Act, the processing of the petition, and rules to keep NLRB elections fair and honest.

YOU HAVE THE RIGHT under Federal Law

- To self-organization
- To form, join, or assist labor organizations
- To bargain collectively through representatives of your own choosing
- To act together for the purposes of collective bargaining or other mutual aid or protection
- To refuse to do any or all of these things unless the union and employer, in a state where such agreements are permitted, enter into a lawful union-security agreement requiring employees to pay periodic dues and initiation fees. Nonmembers who inform the union that they object to the use of their payments for nonrepresentational purposes may be required to pay only their share of the union's costs of representational activities (such as collective bargaining, contract administration, and grievance adjustments).

PROCESSING THIS PETITION

Elections do not necessarily occur in all cases after a petition is filed. **NO FINAL DECISIONS HAVE BEEN MADE YET** regarding the appropriateness of the proposed unit or whether an election will be held in this matter. If appropriate, the NLRB will first see if the parties will enter into an election agreement that specifies the method, date, time, and location of an election and the unit of employees eligible to vote. If the parties do not enter into an election

agreement, usually a hearing is held to receive evidence on the appropriateness of the unit and other issues in dispute. After a hearing, an election may be directed by the NLRB, if appropriate.

IF AN ELECTION IS HELD, it will be conducted by the NLRB by secret ballot and Notices of Election will be posted before the election giving complete details for voting.

ELECTION RULES

The NLRB applies rules that are intended to keep its elections fair and honest and that result in a free choice. If agents of any party act in such a way as to interfere with your right to a free election, the election can be set aside by the NLRB. Where appropriate the NLRB provides other remedies, such as reinstatement for employees fired for exercising their rights, including backpay from the party responsible for their discharge.

The following are examples of conduct that interfere with employees' rights and may result in setting aside the election:

- **Threatening loss of jobs or benefits by an employer or a union**
- **Promising or granting promotions, pay raises, or other benefits, to influence an employee's vote by a party capable of carrying out such promises**
- **An employer firing employees to discourage or encourage union activity or a union causing them to be fired to encourage union activity**
- **Making campaign speeches to assembled groups of employees on company time, where attendance is mandatory, within the 24-hour period before the polls for the election first open or, if the election is conducted by mail, from the time and date the ballots are scheduled to be sent out by the Region until the time and date set for their return**
- **Incitement by either an employer or a union of racial or religious prejudice by inflammatory appeals**
- **Threatening physical force or violence to employees by a union or an employer to influence their votes**

Please be assured that IF AN ELECTION IS HELD, every effort will be made to protect your right to a free choice under the law. Improper conduct will not be permitted. All parties are expected to cooperate fully with the NLRB in maintaining basic principles of a fair election as required by law. The NLRB as an agency of the United States Government does not endorse any choice in the election.

For additional information about the processing of petitions, go to www.nlr.gov or contact the NLRB at (973)645-2100.

THIS IS AN OFFICIAL GOVERNMENT NOTICE AND MUST NOT BE DEFACED BY ANYONE. IT MUST REMAIN POSTED WITH ALL PAGES SIMULTANEOUSLY VISIBLE UNTIL REPLACED BY THE NOTICE OF ELECTION OR THE PETITION IS DISMISSED OR WITHDRAWN.

CARE POINT HEALTH CHRIST HOSPITAL Employer and (b) (6), (b) (7)(C) Petitioner and 1199J Union	Case 22-RD-283644
--	--------------------------

NOTICE OF ZOOM REPRESENTATION HEARING

The Petitioner filed the attached petition pursuant to Section 9(c) of the National Labor Relations Act. It appears that a question affecting commerce exists as to whether the employees in the unit described in the petition wish to be represented by a collective-bargaining representative as defined in Section 9(a) of the Act.

On March 19, 2020, the Board announced that it was suspending all elections, including mail ballot elections, until at least April 3, due to “the extraordinary circumstances related to the COVID-19 pandemic.” On April 1, 2020, the Board announced that it would not extend its temporary suspension of Board-conducted elections past April 3, 2020 and would instead resume conducting elections beginning Monday, April 6, 2020, because appropriate measures may be available to permit elections to resume in a safe and effective manner, which will be determined by the Acting Regional Director.

YOU ARE HEREBY NOTIFIED that, pursuant to Sections 3(b) and 9(c) of the Act, at 10:00 AM on **Wednesday, October 20, 2021** and on consecutive days thereafter until concluded, at the National Labor Relations Board.

I have decided to conduct the hearing telephonically due to the extraordinary circumstances of COVID-19 and the directions of state or local authorities including but not limited to Shelter in Place orders, travel restrictions, social distancing and limits on the size of gatherings of individuals.

The hearing officer will hold a pre-hearing Zoom via by the way of video conference (with all non-Agency participants using call-in only) at **10:00 AM on Friday, October 8, 2021** to discuss the logistics of the hearing.

YOU ARE FURTHER NOTIFIED that, pursuant to Section 102.63(b) of the Board's Rules and Regulations, CARE POINT HEALTH CHRIST HOSPITAL and 1199J must complete the Statement of Position and file it and all attachments with the Acting Regional Director and serve it on the parties listed on the petition such that it is received by them by no later than **noon** Eastern time on **Tuesday, October 12, 2021**. Following timely filing and service of a Statement of Position by CARE POINT HEALTH CHRIST HOSPITAL and 1199J, the Petitioner must complete its Responsive Statement of Position(s) responding to the issues raised in the Employer's and/or Union's Statement of Position and file them and all attachments with the Acting Regional Director and serve them on the parties named in the petition such that they are received by them no later than **noon** Eastern on **Friday, October 15, 2021**.

Pursuant to Section 102.5 of the Board's Rules and Regulations, all documents filed in cases before the Agency must be filed by electronically submitting (E-Filing) through the Agency's website (www.nlr.gov), unless the party filing the document does not have access to the means for filing electronically or filing electronically would impose an undue burden. Documents filed by means other than E-Filing must be accompanied by a statement explaining why the filing party does not have access to the means for filing electronically or filing electronically would impose an undue burden. Detailed instructions for using the NLRB's E-Filing system can be found in the [E-Filing System User Guide](#)

YOU ARE FURTHER NOTIFIED that if the Employer and/or other non-petitioning parties, if any, raise issues in the submitted Statement(s) of Position, and/or if the Petitioner raises issues in the submitted Responsive Statement of Position, for which the Acting Regional Director decides requires witness testimony during the hearing, I will direct that the hearing be conducted by videoconference and, if necessary, reschedule the hearing. If however, the parties agree to a Zoom hearing notwithstanding that witness testimony is required, or if the hearing will not involve witness testimony, it will proceed by Zoom. *Morrison Healthcare*, 369 NLRB No. 76 (2020).

NATIONAL LABOR RELATIONS BOARD

**DESCRIPTION OF REPRESENTATION CASE PROCEDURES
IN CERTIFICATION AND DECERTIFICATION CASES**

The National Labor Relations Act grants employees the right to bargain collectively through representatives of their own choosing and to refrain from such activity. A party may file an RC, RD or RM petition with the National Labor Relations Board (NLRB) to conduct a secret ballot election to determine whether a representative will represent, or continue to represent, a unit of employees. An **RC** petition is generally filed by a union that desires to be certified as the bargaining representative. An **RD** petition is filed by employees who seek to remove the currently recognized union as the bargaining representative. An **RM** petition is filed by an employer who seeks an election because one or more individuals or unions have sought recognition as the bargaining representative, or based on a reasonable belief supported by objective considerations that the currently recognized union has lost its majority status. This form generally describes representation case procedures in RC, RD and RM cases, also referred to as certification and decertification cases.

Right to be Represented – Any party to a case with the NLRB has the right to be represented by an attorney or other representative in any proceeding before the NLRB. A party wishing to have a representative appear on its behalf should have the representative complete a Notice of Appearance (Form NLRB-4701), and E-File it at www.nlr.gov or forward it to the NLRB Regional Office handling the petition as soon as possible.

Filing and Service of Petition – A party filing an RC, RD or RM petition is required to serve a copy of its petition on the parties named in the petition along with this form and the Statement of Position form. The petitioner files the petition with the NLRB, together with (1) a certificate showing service of these documents on the other parties named in the petition, and (2) a showing of interest to support the petition. The showing of interest is not served on the other parties.

Notice of Hearing – After a petition in a certification or decertification case is filed with the NLRB, the NLRB reviews the petition, certificate of service, and the required showing of interest for sufficiency, assigns the petition a case number, and promptly sends letters to the parties notifying them of the Board agent who will be handling the case. In most cases, the letters include a Notice of Representation Hearing. Except in cases presenting unusually complex issues, this pre-election hearing is set for a date 14 business days (excluding weekends and federal holidays) from the date of service of the notice of hearing. Once the hearing begins, it will continue day to day until completed absent extraordinary circumstances. The Notice of Representation Hearing also sets the due date for filing and serving the Statement(s) of Position and the Responsive Statement of Position(s). Included with the Notice of Representation Hearing are the following: (1) copy of the petition, (2) this form, (3) Statement of Position for non-petitioning parties, (4) petitioner's Responsive Statement of Position, (5) Notice of Petition for Election, and (6) letter advising how to contact the Board agent who will be handling the case and discussing those documents.

Hearing Postponement: Requests to postpone the hearing are not routinely granted, but the Acting Regional Director may postpone the hearing for good cause. A party wishing to request a postponement should make the request in writing and set forth in detail the grounds for the request. The request should include the positions of the other parties regarding the postponement. The request must be filed electronically ("E-Filed") on the Agency's website (www.nlr.gov) by following the instructions on the website. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Statement of Position Form and List(s) of Employees – The Statement of Position form solicits commerce and other information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. In an **RC** or **RD** case, as part of its Statement of Position form, the employer also provides a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. If the employer contends that the proposed unit is not appropriate, the employer must separately list the same information for all individuals that the employer contends must be added to the proposed unit to make it an appropriate unit, and must further indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10

or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Ordinarily the Statement of Position must be filed with the Regional Office and served on the other parties such that it is received by them by noon 8 business days from the issuance of the Notice of Hearing. The Acting Regional Director may postpone the due date for filing and serving the Statement of Position for good cause. The Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Statement of Position due date. If a party wishes to request both a postponement of the hearing and a postponement of the Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Responsive Statement of Position – Petitioner's Responsive Statement(s) of Position solicits a response to the Statement(s) of Position filed by the other parties and further facilitates entry into election agreements or streamlines the preelection hearing. A petitioner must file a Responsive Statement of Position in response to each party's Statement of Position addressing each issue in each Statement of Position(s), if desired. In the case of an RM petition, the employer-petitioner must also provide commerce information and file and serve a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. Ordinarily, the Responsive Statement of Position must be electronically filed with the Regional Office and served on the other parties such that it is received by noon 3 business days prior to the hearing. The Acting Regional Director may postpone the due date for filing and serving the Responsive Statement of Position for good cause. The Responsive Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Responsive Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Responsive Statement of Position due date. If a party wishes to request both a postponement of the hearing and a Postponement of the Responsive Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Posting and Distribution of Notice of Petition for Election – Within 5 business days after service of the notice of hearing, the employer must post the Notice of Petition for Election in conspicuous places, including all places where notices to employees are customarily posted, and must also distribute it electronically to the employees in the petitioned-for unit if the employer customarily communicates with these employees electronically. The employer must maintain the posting until the petition is dismissed or withdrawn, or the Notice of Petition for Election is replaced by the Notice of Election. The employer's failure properly to post or distribute the Notice of Petition for Election may be grounds for setting aside the election if proper and timely objections are filed.

Election Agreements – Elections can occur either by agreement of the parties or by direction of the Acting Regional Director or the Board. Three types of agreements are available: (1) a Consent Election Agreement (Form NLRB-651); (2) a Stipulated Election Agreement (Form NLRB-652); and (3) a Full Consent Agreement (Form NLRB-5509). In the Consent Election Agreement and the Stipulated Election Agreement, the parties agree on an appropriate unit and the method, date, time, and place of a secret ballot election that will be conducted by an NLRB agent. In the Consent Agreement, the parties also agree that post-election matters (election objections or determinative challenged ballots) will be resolved with finality by the regional director; whereas in the Stipulated Election Agreement, the parties agree that they may request Board review of the regional director's post-election determinations. A Full Consent Agreement provides that the Acting Regional Director will make final determinations regarding all pre-election and post-election issues.

Hearing Cancellation Based on Agreement of the Parties – The issuance of the Notice of Representation Hearing does not mean that the matter cannot be resolved by agreement of the parties. On the contrary, the NLRB encourages prompt voluntary adjustments and the Board agent assigned to the case will work with the parties to enter into an election agreement, so the parties can avoid the time and expense of participating in a hearing.

Hearing – A hearing will be held unless the parties enter into an election agreement approved by the Acting Regional Director or the petition is dismissed or withdrawn.

Purpose of Hearing: The primary purpose of a pre-election hearing is to determine if a question of representation exists. A question of representation exists if a proper petition has been filed concerning a unit appropriate for the purpose of collective bargaining or, in the case of a decertification petition, concerning a unit in which a labor organization has been certified or is being currently recognized by the employer as the bargaining representative.

Issues at Hearing: Issues that might be litigated at the pre-election hearing include: jurisdiction; labor organization status; bars to elections; unit appropriateness; expanding and contracting unit issues; inclusion of professional employees with nonprofessional employees; seasonal operation; potential mixed guard/non-guard unit; and eligibility formulas. At the hearing, the timely filed Statement of Position and Responsive Statement of Position(s) will be received into evidence. The hearing officer will not receive evidence concerning any issue as to which the parties have not taken adverse positions, except for evidence regarding the Board's jurisdiction over the employer and evidence concerning any issue, such as the appropriateness of the proposed unit, as to which the Acting Regional Director determines that record evidence is necessary.

Preclusion: At the hearing, a party will be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or Responsive Statement of Position(s) or to place in dispute in timely response to another party's Statement of Position or response, except that no party will be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. As set forth in §102.66(d) of the Board's rules, if the employer fails to timely furnish the lists of employees, the employer will be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Conduct of Hearing: If held, the hearing is usually open to the public and will be conducted by a hearing officer of the NLRB. Any party has the right to appear at any hearing in person, by counsel, or by other representative, to call, examine, and cross-examine witnesses, and to introduce into the record evidence of the significant facts that support the party's contentions and are relevant to the existence of a question of representation. The hearing officer also has the power to call, examine, and cross-examine witnesses and to introduce into the record documentary and other evidence. Witnesses will be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Parties appearing at any hearing who have or whose witnesses have disabilities falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in this hearing need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, should notify the Acting Regional Director as soon as possible and request the necessary assistance.

Official Record: An official reporter will make the only official transcript of the proceedings and all citations in briefs or arguments must refer to the official record. (Copies of exhibits should be supplied to the hearing officer and other parties at the time the exhibit is offered in evidence.) All statements made at the hearing will be recorded by the official reporter while the hearing is on the record. If a party wishes to make off-the-record remarks, requests to make such remarks should be directed to the hearing officer and not to the official reporter. After the close of the hearing, any request for corrections to the record, either by stipulation or motion, should be forwarded to the regional director.

Motions and Objections: All motions must be in writing unless stated orally on the record at the hearing and must briefly state the relief sought and the grounds for the motion. A copy of any motion must be served immediately on the other parties to the proceeding. Motions made during the hearing are filed with the hearing officer. All other motions are filed with the regional director, except that motions made after the transfer of the record to the Board are filed with the Board. If not E-Filed, an original and two copies of written motions shall be filed. Statements of reasons in support of motions or objections should be as concise as possible. Objections shall not be deemed waived by further participation in the hearing. On

appropriate request, objections may be permitted to stand to an entire line of questioning. Automatic exceptions will be allowed to all adverse rulings.

Election Details: Prior to the close of the hearing the hearing officer will: (1) solicit the parties' positions (but will not permit litigation) on the type, date(s), time(s), and location(s) of the election and the eligibility period; (2) solicit the name, address, email address, facsimile number, and phone number of the employer's on-site representative to whom the Acting Regional Director should transmit the Notice of Election if an election is directed; (3) inform the parties that the Acting Regional Director will issue a decision as soon as practicable and will immediately transmit the document to the parties and their designated representatives by email, facsimile, or by overnight mail (if neither an email address nor facsimile number was provided); and (4) inform the parties of their obligations if the director directs an election and of the time for complying with those obligations.

Oral Argument and Briefs: Upon request, any party is entitled to a reasonable period at the close of the hearing for oral argument, which will be included in the official transcript of the hearing. At any time before the close of the hearing, any party may file a memorandum addressing relevant issues or points of law. Post-hearing briefs shall be due within 5 business days of the close of the hearing. The hearing officer may allow up to 10 additional business days for such briefs prior to the close of hearing and for good cause. If filed, copies of the memorandum or brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the memorandum or brief. No reply brief may be filed except upon special leave of the regional director. Briefs including electronic documents, filed with the Acting Regional Director must be formatted as double-spaced in an 8½ by 11 inch format and must be e-filed through the Board's website, www.nlr.gov.

Acting Regional Director Decision - After the hearing, the Acting Regional Director issues a decision directing an election, dismissing the petition or reopening the hearing. A request for review of the regional director's pre-election decision may be filed with the Board at any time after issuance of the decision until 10 business days after a final disposition of the proceeding by the regional director. Accordingly, a party need not file a request for review before the election in order to preserve its right to contest that decision after the election. Instead, a party can wait to see whether the election results have mooted the basis of an appeal. The Board will grant a request for review only where compelling reasons exist therefor.

Voter List – The employer must provide to the Acting Regional Director and the parties named in the election agreement or direction of election a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular ("cell") telephone numbers) of all eligible voters. (In construction industry elections, unless the parties stipulate to the contrary, also eligible to vote are all employees in the unit who either (1) were employed a total of 30 working days or more within the 12 months preceding the election eligibility date or (2) had some employment in the 12 months preceding the election eligibility date and were employed 45 working days or more within the 24 months immediately preceding the election eligibility date. However, employees meeting either of those criteria who were terminated for cause or who quit voluntarily prior to the completion of the last job for which they were employed, are not eligible.) The employer must also include in a separate section of the voter list the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge or those individuals who, according to the direction of election, will be permitted to vote subject to challenge. The list of names must be alphabetized (overall or by department) and be in the same Microsoft Word file (or Microsoft Word compatible file) format as the initial lists provided with the Statement of Position form unless the parties agree to a different format or the employer certifies that it does not possess the capacity to produce the list in the required form. When feasible, the list must be filed electronically with the Acting Regional Director and served electronically on the other parties named in the agreement or direction. To be timely filed and served, the voter list must be received by the Acting Regional Director and the parties named in the agreement or direction respectively within 2 business days after the approval of the agreement or issuance of the direction of elections unless a longer time is specified in the agreement or direction. A certificate of service on all parties must be filed with the Acting Regional Director when the voter list is filed. The employer's failure to file or serve the list within the specified time or in proper format shall be grounds for setting aside the election whenever proper and timely objections are filed. The parties shall not use the list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

Waiver of Time to Use Voter List – Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 calendar days after the date when the employer must file the voter list with the Regional Office. However, the parties entitled to receive the voter list may waive all or part of the 10-day

period by executing Form NLRB-4483. A waiver will not be effective unless all parties who are entitled to the list agree to waive the same number of days.

Election – Information about the election, requirements to post and distribute the Notice of Election, and possible proceedings after the election is available from the Regional Office and will be provided to the parties when the Notice of Election is sent to the parties.

Withdrawal or Dismissal – If it is determined that the NLRB does not have jurisdiction or that other criteria for proceeding to an election are not met, the petitioner is offered an opportunity to withdraw the petition. If the petitioner does not withdraw the petition, the Acting Regional Director will dismiss the petition and advise the petitioner of the reason for the dismissal and of the right to appeal to the Board.

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

For **RM petitions**, the Employer-Petitioner must complete a Responsive Statement of Position form and submit the list described below. In accordance with Section 102.63(b) of the Board's Rules, if you are required to complete the form, you must have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in another party's Statement of Position, such that it is received no later than noon three business days before the date of the hearing. A separate form must be completed for each timely filed and properly served Statement of Position you receive. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must E-File your Responsive Statement of Position at www.NLRB.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed. Note that if you are completing this form as a PDF downloaded from www.NLRB.gov, the form will lock upon signature and no further editing may be made.**

Required List: In addition to responding to the issues raised in another party's Statement of Position, if any, the Employer-Petitioner in an RM case is required to file and serve on the parties a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. This list must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the list in the required form, the list must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Consequences of Failure to Submit a Responsive Statement of Position: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Re: Care Point Health - Christ Hospital
Case 22-RD-283644

Dear Mr. Martin:

Enclosed is a copy of a petition that (b) (6), (b) (7)(C) filed with the National Labor Relations Board (NLRB) regarding representation of certain of CARE POINT HEALTH CHRIST HOSPITAL employees. This petition is being sent to you because our investigation has disclosed that your union may have an interest in this proceeding. This letter tells you how to contact the Board agent who will be handling this matter, explains your obligation to request intervention and provide a showing of interest, notifies you of a hearing, describes the employer's obligation to post and distribute a Notice of Petition for Election and complete a Statement of Position, the Petitioner's requirement to complete and serve Responsive Statement(s) of Position Form(s), informs you of your right to be represented, and discusses some of our procedures including how to submit documents to the NLRB.

Investigator: This petition will be investigated by Field Attorney MICHAEL P. SILVERSTEIN whose telephone number is (862)229-7059. If you choose to intervene, the Board agent will contact you shortly to discuss processing the petition. If you have any questions, please do not hesitate to call the Board agent. The Board agent may also contact you and the other party or parties to schedule a conference meeting or telephonic or video conference for some time before the close of business the day following receipt of the final Responsive Statement(s) of Position. This will give the parties sufficient time to determine if any issues can be resolved prior to hearing or if a hearing is necessary. If the agent is not available, you may contact Supervisory Field Examiner FRANK W. FLORES whose telephone number is (862)229-7051. If appropriate, the NLRB attempts to schedule an election either by agreement of the parties or by holding a hearing and then directing an election.

Procedure for Intervention and Showing of Interest: To become a party to this case, you must make a request to intervene in accordance with Section 102.65 of the National Labor Relations Board Rules and Regulations. The request should state the grounds upon which you claim to have an interest in the proceeding. You may make the request in writing by filing it

with the Acting Regional Director and serving a copy on the other parties to the proceeding. You may also orally request to intervene at the hearing described below. At the time you request to intervene, you should submit evidence of a showing of interest among the involved employees. This showing of interest may be any one of the following:

- (1) A current or recently expired collective-bargaining agreement with the Employer covering some of the employees involved;
- (2) Authorization cards or a list of signatures designating your union as the signers' agent for collective-bargaining purposes;
- (3) Records showing involved employees who are members of your union; or
- (4) Certification or recognition as the currently recognized bargaining agent of the employees involved.

You should submit your evidence of interest within 48 hours after having been given notice of this proceeding. The timeliness of your submission may affect your right to participate in further processing of the petition. See Sections 11024.2 and 11026.2 of the Board's Casehandling Manual to review the detailed circumstances under which you may or may not be permitted to intervene.

Required Statement of Position: If you decide to intervene and submit a showing of interest indicating support of 10 percent or more of the proposed unit, you are required to complete a Statement of Position by **noon Eastern Time on Tuesday, October 12, 2021**. This form solicits information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. **This form must be E-Filed but unlike other E-Filed documents will *not* be timely if filed on the due date but after noon Eastern Time.** If you have questions about this form or would like assistance in filling out this form, please contact the Board agent named above.

Failure to supply the information requested by this form may preclude you from litigating issues under Section 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall

also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§ 102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Responsive Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, following timely filing and service of an employer's and/or intervenor's Statement of Position, the petitioner is required to complete the enclosed Responsive Statement of Position form addressing the issues raised in each of the employer's and/or intervenor's Statement of Position. The petitioner must file a completed, signed copy with any necessary attachments for each timely filed and served Statement of Position with this office and serve it on all parties named in the petition, such that it is received no later than **noon Eastern Time on Friday, October 15, 2021.**

Notice of Zoom Hearing: Enclosed is a Notice of Representation Hearing to be conducted at **10:00 AM on Wednesday, October 20, 2021**, if the parties do not voluntarily agree to an election. If a hearing is necessary, the hearing will run on consecutive days until concluded unless the Acting Regional Director concludes that extraordinary circumstances warrant otherwise. Before the hearing begins, the NLRB will continue to explore potential areas of agreement with the parties in order to reach an election agreement and to eliminate or limit the costs associated with formal hearings.

Upon request of a party showing good cause, the Acting Regional Director may postpone the hearing. A party desiring a postponement should make the request to the Acting Regional Director in writing, set forth in detail the grounds for the request, and include the positions of the other parties regarding the postponement. E-Filing the request is required. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Posting and Distribution of Notice: The Employer must post the enclosed Notice of Petition for Election by **Wednesday, October 6, 2021**, in conspicuous places, including all places where notices to employees are customarily posted. If it customarily communicates electronically with its employees in the petitioned-for unit, it must also distribute the notice electronically to them. The Employer must maintain the posting until the petition is dismissed or withdrawn or this notice is replaced by the Notice of Election. Failure to post or distribute the notice may be grounds for setting aside the election if proper and timely objections are filed.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before the NLRB. In view of our policy of processing these cases expeditiously, if you wish to be represented, you should obtain representation promptly. Your representative must notify us in writing of this fact as soon as possible by completing Form

NLRB-4701, Notice of Appearance. This form is available on our website, www.nlr.gov, or from an NLRB office upon your request.

If someone contacts you about representing you in this case, please be assured that no organization or person seeking your business has any “inside knowledge” or favored relationship with the NLRB. Their knowledge regarding this matter was obtained only through access to information that must be made available to any member of the public under the Freedom of Information Act.

Procedures: Pursuant to Section 102.5 of the Board’s Rules and Regulations, parties must submit all documentary evidence, including statements of position, exhibits, sworn statements, and/or other evidence, by electronically submitting (E-Filing) them through the Agency’s web site (www.nlr.gov). You must e-file all documents electronically or provide a written statement explaining why electronic submission is not possible or feasible. Failure to comply with Section 102.5 will result in rejection of your submission. The Region will make its determinations solely based on the documents and evidence properly submitted. All evidence submitted electronically should be in the form in which it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the petition.

Information about the NLRB and our customer service standards is available on our website, www.nlr.gov, or from an NLRB office upon your request. We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

National Labor Relations Board

NOTICE OF PETITION FOR ELECTION

This notice is to inform employees that **(b) (6), (b) (7)(C)** has filed a petition with the National Labor Relations Board (NLRB), a Federal agency, in Case 22-RD-283644 seeking an election to determine if the employees of CARE POINT HEALTH CHRIST HOSPITAL in the unit set forth below wish to be represented by 1199J for the purposes of collective bargaining:

INCLUDED: All full-time and regular part-time non-professional employees in the job titles Building Service Attendants, Cashier (Dietary), Cashiers (Parking), Clinical Partners, Clinical Nursing Assistants, Cooks, Dietary Assistants, File Clerks, Food Service Aides, Guest Relations Associates, Laboratory Assistants, Laboratory Clerks, Lead Attendants, Lead Food Service Aides, Lead Utility Workers, Patient Scheduling Specialists, Patient Representative Liaisons, Registration Associates, Rehabilitation Aides, Support Partners, Unit Secretaries, Utility Workers, Waste Management Attendants employed by the Employer at its 176 Palisade Avenue, Jersey City, New Jersey facility.

EXCLUDED: All professional employees, technical employees, business office clerical employees, skilled maintenance employees, managers, guards, and supervisors, as defined in the Act, and all other employees.

This notice also provides you with information about your basic rights under the National Labor Relations Act, the processing of the petition, and rules to keep NLRB elections fair and honest.

YOU HAVE THE RIGHT under Federal Law

- To self-organization
- To form, join, or assist labor organizations
- To bargain collectively through representatives of your own choosing
- To act together for the purposes of collective bargaining or other mutual aid or protection
- To refuse to do any or all of these things unless the union and employer, in a state where such agreements are permitted, enter into a lawful union-security agreement requiring employees to pay periodic dues and initiation fees. Nonmembers who inform the union that they object to the use of their payments for nonrepresentational purposes may be required to pay only their share of the union's costs of representational activities (such as collective bargaining, contract administration, and grievance adjustments).

PROCESSING THIS PETITION

Elections do not necessarily occur in all cases after a petition is filed. **NO FINAL DECISIONS HAVE BEEN MADE YET** regarding the appropriateness of the proposed unit or whether an election will be held in this matter. If appropriate, the NLRB will first see if the parties will enter into an election agreement that specifies the method, date, time, and location of an election and the unit of employees eligible to vote. If the parties do not enter into an election

agreement, usually a hearing is held to receive evidence on the appropriateness of the unit and other issues in dispute. After a hearing, an election may be directed by the NLRB, if appropriate.

IF AN ELECTION IS HELD, it will be conducted by the NLRB by secret ballot and Notices of Election will be posted before the election giving complete details for voting.

ELECTION RULES

The NLRB applies rules that are intended to keep its elections fair and honest and that result in a free choice. If agents of any party act in such a way as to interfere with your right to a free election, the election can be set aside by the NLRB. Where appropriate the NLRB provides other remedies, such as reinstatement for employees fired for exercising their rights, including backpay from the party responsible for their discharge.

The following are examples of conduct that interfere with employees' rights and may result in setting aside the election:

- **Threatening loss of jobs or benefits by an employer or a union**
- **Promising or granting promotions, pay raises, or other benefits, to influence an employee's vote by a party capable of carrying out such promises**
- **An employer firing employees to discourage or encourage union activity or a union causing them to be fired to encourage union activity**
- **Making campaign speeches to assembled groups of employees on company time, where attendance is mandatory, within the 24-hour period before the polls for the election first open or, if the election is conducted by mail, from the time and date the ballots are scheduled to be sent out by the Region until the time and date set for their return**
- **Incitement by either an employer or a union of racial or religious prejudice by inflammatory appeals**
- **Threatening physical force or violence to employees by a union or an employer to influence their votes**

Please be assured that IF AN ELECTION IS HELD, every effort will be made to protect your right to a free choice under the law. Improper conduct will not be permitted. All parties are expected to cooperate fully with the NLRB in maintaining basic principles of a fair election as required by law. The NLRB as an agency of the United States Government does not endorse any choice in the election.

For additional information about the processing of petitions, go to www.nlr.gov or contact the NLRB at (973)645-2100.

THIS IS AN OFFICIAL GOVERNMENT NOTICE AND MUST NOT BE DEFACED BY ANYONE. IT MUST REMAIN POSTED WITH ALL PAGES SIMULTANEOUSLY VISIBLE UNTIL REPLACED BY THE NOTICE OF ELECTION OR THE PETITION IS DISMISSED OR WITHDRAWN.

CARE POINT HEALTH CHRIST HOSPITAL Employer and (b) (6), (b) (7)(C) Petitioner and 1199J Union	Case 22-RD-283644
--	--------------------------

NOTICE OF ZOOM REPRESENTATION HEARING

The Petitioner filed the attached petition pursuant to Section 9(c) of the National Labor Relations Act. It appears that a question affecting commerce exists as to whether the employees in the unit described in the petition wish to be represented by a collective-bargaining representative as defined in Section 9(a) of the Act.

On March 19, 2020, the Board announced that it was suspending all elections, including mail ballot elections, until at least April 3, due to “the extraordinary circumstances related to the COVID-19 pandemic.” On April 1, 2020, the Board announced that it would not extend its temporary suspension of Board-conducted elections past April 3, 2020 and would instead resume conducting elections beginning Monday, April 6, 2020, because appropriate measures may be available to permit elections to resume in a safe and effective manner, which will be determined by the Acting Regional Director.

YOU ARE HEREBY NOTIFIED that, pursuant to Sections 3(b) and 9(c) of the Act, at 10:00 AM on **Wednesday, October 20, 2021** and on consecutive days thereafter until concluded, at the National Labor Relations Board.

I have decided to conduct the hearing telephonically due to the extraordinary circumstances of COVID-19 and the directions of state or local authorities including but not limited to Shelter in Place orders, travel restrictions, social distancing and limits on the size of gatherings of individuals.

The hearing officer will hold a pre-hearing Zoom via by the way of video conference (with all non-Agency participants using call-in only) at **10:00 AM on Friday, October 8, 2021** to discuss the logistics of the hearing.

YOU ARE FURTHER NOTIFIED that, pursuant to Section 102.63(b) of the Board's Rules and Regulations, CARE POINT HEALTH CHRIST HOSPITAL and 1199J must complete the Statement of Position and file it and all attachments with the Acting Regional Director and serve it on the parties listed on the petition such that it is received by them by no later than **noon** Eastern time on **Tuesday, October 12, 2021**. Following timely filing and service of a Statement of Position by CARE POINT HEALTH CHRIST HOSPITAL and 1199J, the Petitioner must complete its Responsive Statement of Position(s) responding to the issues raised in the Employer's and/or Union's Statement of Position and file them and all attachments with the Acting Regional Director and serve them on the parties named in the petition such that they are received by them no later than **noon** Eastern on **Friday, October 15, 2021**.

Pursuant to Section 102.5 of the Board's Rules and Regulations, all documents filed in cases before the Agency must be filed by electronically submitting (E-Filing) through the Agency's website (www.nlr.gov), unless the party filing the document does not have access to the means for filing electronically or filing electronically would impose an undue burden. Documents filed by means other than E-Filing must be accompanied by a statement explaining why the filing party does not have access to the means for filing electronically or filing electronically would impose an undue burden. Detailed instructions for using the NLRB's E-Filing system can be found in the [E-Filing System User Guide](#)

YOU ARE FURTHER NOTIFIED that if the Employer and/or other non-petitioning parties, if any, raise issues in the submitted Statement(s) of Position, and/or if the Petitioner raises issues in the submitted Responsive Statement of Position, for which the Acting Regional Director decides requires witness testimony during the hearing, I will direct that the hearing be conducted by videoconference and, if necessary, reschedule the hearing. If however, the parties agree to a Zoom hearing notwithstanding that witness testimony is required, or if the hearing will not involve witness testimony, it will proceed by Zoom. *Morrison Healthcare*, 369 NLRB No. 76 (2020).

NATIONAL LABOR RELATIONS BOARD

**DESCRIPTION OF REPRESENTATION CASE PROCEDURES
IN CERTIFICATION AND DECERTIFICATION CASES**

The National Labor Relations Act grants employees the right to bargain collectively through representatives of their own choosing and to refrain from such activity. A party may file an RC, RD or RM petition with the National Labor Relations Board (NLRB) to conduct a secret ballot election to determine whether a representative will represent, or continue to represent, a unit of employees. An **RC** petition is generally filed by a union that desires to be certified as the bargaining representative. An **RD** petition is filed by employees who seek to remove the currently recognized union as the bargaining representative. An **RM** petition is filed by an employer who seeks an election because one or more individuals or unions have sought recognition as the bargaining representative, or based on a reasonable belief supported by objective considerations that the currently recognized union has lost its majority status. This form generally describes representation case procedures in RC, RD and RM cases, also referred to as certification and decertification cases.

Right to be Represented – Any party to a case with the NLRB has the right to be represented by an attorney or other representative in any proceeding before the NLRB. A party wishing to have a representative appear on its behalf should have the representative complete a Notice of Appearance (Form NLRB-4701), and E-File it at www.nlr.gov or forward it to the NLRB Regional Office handling the petition as soon as possible.

Filing and Service of Petition – A party filing an RC, RD or RM petition is required to serve a copy of its petition on the parties named in the petition along with this form and the Statement of Position form. The petitioner files the petition with the NLRB, together with (1) a certificate showing service of these documents on the other parties named in the petition, and (2) a showing of interest to support the petition. The showing of interest is not served on the other parties.

Notice of Hearing – After a petition in a certification or decertification case is filed with the NLRB, the NLRB reviews the petition, certificate of service, and the required showing of interest for sufficiency, assigns the petition a case number, and promptly sends letters to the parties notifying them of the Board agent who will be handling the case. In most cases, the letters include a Notice of Representation Hearing. Except in cases presenting unusually complex issues, this pre-election hearing is set for a date 14 business days (excluding weekends and federal holidays) from the date of service of the notice of hearing. Once the hearing begins, it will continue day to day until completed absent extraordinary circumstances. The Notice of Representation Hearing also sets the due date for filing and serving the Statement(s) of Position and the Responsive Statement of Position(s). Included with the Notice of Representation Hearing are the following: (1) copy of the petition, (2) this form, (3) Statement of Position for non-petitioning parties, (4) petitioner's Responsive Statement of Position, (5) Notice of Petition for Election, and (6) letter advising how to contact the Board agent who will be handling the case and discussing those documents.

Hearing Postponement: Requests to postpone the hearing are not routinely granted, but the Acting Regional Director may postpone the hearing for good cause. A party wishing to request a postponement should make the request in writing and set forth in detail the grounds for the request. The request should include the positions of the other parties regarding the postponement. The request must be filed electronically ("E-Filed") on the Agency's website (www.nlr.gov) by following the instructions on the website. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Statement of Position Form and List(s) of Employees – The Statement of Position form solicits commerce and other information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. In an **RC** or **RD** case, as part of its Statement of Position form, the employer also provides a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. If the employer contends that the proposed unit is not appropriate, the employer must separately list the same information for all individuals that the employer contends must be added to the proposed unit to make it an appropriate unit, and must further indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10

or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Ordinarily the Statement of Position must be filed with the Regional Office and served on the other parties such that it is received by them by noon 8 business days from the issuance of the Notice of Hearing. The Acting Regional Director may postpone the due date for filing and serving the Statement of Position for good cause. The Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Statement of Position due date. If a party wishes to request both a postponement of the hearing and a postponement of the Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Responsive Statement of Position – Petitioner's Responsive Statement(s) of Position solicits a response to the Statement(s) of Position filed by the other parties and further facilitates entry into election agreements or streamlines the preelection hearing. A petitioner must file a Responsive Statement of Position in response to each party's Statement of Position addressing each issue in each Statement of Position(s), if desired. In the case of an RM petition, the employer-petitioner must also provide commerce information and file and serve a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. Ordinarily, the Responsive Statement of Position must be electronically filed with the Regional Office and served on the other parties such that it is received by noon 3 business days prior to the hearing. The Acting Regional Director may postpone the due date for filing and serving the Responsive Statement of Position for good cause. The Responsive Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Responsive Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Responsive Statement of Position due date. If a party wishes to request both a postponement of the hearing and a Postponement of the Responsive Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Posting and Distribution of Notice of Petition for Election – Within 5 business days after service of the notice of hearing, the employer must post the Notice of Petition for Election in conspicuous places, including all places where notices to employees are customarily posted, and must also distribute it electronically to the employees in the petitioned-for unit if the employer customarily communicates with these employees electronically. The employer must maintain the posting until the petition is dismissed or withdrawn, or the Notice of Petition for Election is replaced by the Notice of Election. The employer's failure properly to post or distribute the Notice of Petition for Election may be grounds for setting aside the election if proper and timely objections are filed.

Election Agreements – Elections can occur either by agreement of the parties or by direction of the Acting Regional Director or the Board. Three types of agreements are available: (1) a Consent Election Agreement (Form NLRB-651); (2) a Stipulated Election Agreement (Form NLRB-652); and (3) a Full Consent Agreement (Form NLRB-5509). In the Consent Election Agreement and the Stipulated Election Agreement, the parties agree on an appropriate unit and the method, date, time, and place of a secret ballot election that will be conducted by an NLRB agent. In the Consent Agreement, the parties also agree that post-election matters (election objections or determinative challenged ballots) will be resolved with finality by the regional director; whereas in the Stipulated Election Agreement, the parties agree that they may request Board review of the regional director's post-election determinations. A Full Consent Agreement provides that the Acting Regional Director will make final determinations regarding all pre-election and post-election issues.

Hearing Cancellation Based on Agreement of the Parties – The issuance of the Notice of Representation Hearing does not mean that the matter cannot be resolved by agreement of the parties. On the contrary, the NLRB encourages prompt voluntary adjustments and the Board agent assigned to the case will work with the parties to enter into an election agreement, so the parties can avoid the time and expense of participating in a hearing.

Hearing – A hearing will be held unless the parties enter into an election agreement approved by the Acting Regional Director or the petition is dismissed or withdrawn.

Purpose of Hearing: The primary purpose of a pre-election hearing is to determine if a question of representation exists. A question of representation exists if a proper petition has been filed concerning a unit appropriate for the purpose of collective bargaining or, in the case of a decertification petition, concerning a unit in which a labor organization has been certified or is being currently recognized by the employer as the bargaining representative.

Issues at Hearing: Issues that might be litigated at the pre-election hearing include: jurisdiction; labor organization status; bars to elections; unit appropriateness; expanding and contracting unit issues; inclusion of professional employees with nonprofessional employees; seasonal operation; potential mixed guard/non-guard unit; and eligibility formulas. At the hearing, the timely filed Statement of Position and Responsive Statement of Position(s) will be received into evidence. The hearing officer will not receive evidence concerning any issue as to which the parties have not taken adverse positions, except for evidence regarding the Board's jurisdiction over the employer and evidence concerning any issue, such as the appropriateness of the proposed unit, as to which the Acting Regional Director determines that record evidence is necessary.

Preclusion: At the hearing, a party will be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or Responsive Statement of Position(s) or to place in dispute in timely response to another party's Statement of Position or response, except that no party will be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. As set forth in §102.66(d) of the Board's rules, if the employer fails to timely furnish the lists of employees, the employer will be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Conduct of Hearing: If held, the hearing is usually open to the public and will be conducted by a hearing officer of the NLRB. Any party has the right to appear at any hearing in person, by counsel, or by other representative, to call, examine, and cross-examine witnesses, and to introduce into the record evidence of the significant facts that support the party's contentions and are relevant to the existence of a question of representation. The hearing officer also has the power to call, examine, and cross-examine witnesses and to introduce into the record documentary and other evidence. Witnesses will be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Parties appearing at any hearing who have or whose witnesses have disabilities falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in this hearing need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, should notify the Acting Regional Director as soon as possible and request the necessary assistance.

Official Record: An official reporter will make the only official transcript of the proceedings and all citations in briefs or arguments must refer to the official record. (Copies of exhibits should be supplied to the hearing officer and other parties at the time the exhibit is offered in evidence.) All statements made at the hearing will be recorded by the official reporter while the hearing is on the record. If a party wishes to make off-the-record remarks, requests to make such remarks should be directed to the hearing officer and not to the official reporter. After the close of the hearing, any request for corrections to the record, either by stipulation or motion, should be forwarded to the regional director.

Motions and Objections: All motions must be in writing unless stated orally on the record at the hearing and must briefly state the relief sought and the grounds for the motion. A copy of any motion must be served immediately on the other parties to the proceeding. Motions made during the hearing are filed with the hearing officer. All other motions are filed with the regional director, except that motions made after the transfer of the record to the Board are filed with the Board. If not E-Filed, an original and two copies of written motions shall be filed. Statements of reasons in support of motions or objections should be as concise as possible. Objections shall not be deemed waived by further participation in the hearing. On

appropriate request, objections may be permitted to stand to an entire line of questioning. Automatic exceptions will be allowed to all adverse rulings.

Election Details: Prior to the close of the hearing the hearing officer will: (1) solicit the parties' positions (but will not permit litigation) on the type, date(s), time(s), and location(s) of the election and the eligibility period; (2) solicit the name, address, email address, facsimile number, and phone number of the employer's on-site representative to whom the Acting Regional Director should transmit the Notice of Election if an election is directed; (3) inform the parties that the Acting Regional Director will issue a decision as soon as practicable and will immediately transmit the document to the parties and their designated representatives by email, facsimile, or by overnight mail (if neither an email address nor facsimile number was provided); and (4) inform the parties of their obligations if the director directs an election and of the time for complying with those obligations.

Oral Argument and Briefs: Upon request, any party is entitled to a reasonable period at the close of the hearing for oral argument, which will be included in the official transcript of the hearing. At any time before the close of the hearing, any party may file a memorandum addressing relevant issues or points of law. Post-hearing briefs shall be due within 5 business days of the close of the hearing. The hearing officer may allow up to 10 additional business days for such briefs prior to the close of hearing and for good cause. If filed, copies of the memorandum or brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the memorandum or brief. No reply brief may be filed except upon special leave of the regional director. Briefs including electronic documents, filed with the Acting Regional Director must be formatted as double-spaced in an 8½ by 11 inch format and must be e-filed through the Board's website, www.nlr.gov.

Acting Regional Director Decision - After the hearing, the Acting Regional Director issues a decision directing an election, dismissing the petition or reopening the hearing. A request for review of the regional director's pre-election decision may be filed with the Board at any time after issuance of the decision until 10 business days after a final disposition of the proceeding by the regional director. Accordingly, a party need not file a request for review before the election in order to preserve its right to contest that decision after the election. Instead, a party can wait to see whether the election results have mooted the basis of an appeal. The Board will grant a request for review only where compelling reasons exist therefor.

Voter List – The employer must provide to the Acting Regional Director and the parties named in the election agreement or direction of election a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular ("cell") telephone numbers) of all eligible voters. (In construction industry elections, unless the parties stipulate to the contrary, also eligible to vote are all employees in the unit who either (1) were employed a total of 30 working days or more within the 12 months preceding the election eligibility date or (2) had some employment in the 12 months preceding the election eligibility date and were employed 45 working days or more within the 24 months immediately preceding the election eligibility date. However, employees meeting either of those criteria who were terminated for cause or who quit voluntarily prior to the completion of the last job for which they were employed, are not eligible.) The employer must also include in a separate section of the voter list the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge or those individuals who, according to the direction of election, will be permitted to vote subject to challenge. The list of names must be alphabetized (overall or by department) and be in the same Microsoft Word file (or Microsoft Word compatible file) format as the initial lists provided with the Statement of Position form unless the parties agree to a different format or the employer certifies that it does not possess the capacity to produce the list in the required form. When feasible, the list must be filed electronically with the Acting Regional Director and served electronically on the other parties named in the agreement or direction. To be timely filed and served, the voter list must be received by the Acting Regional Director and the parties named in the agreement or direction respectively within 2 business days after the approval of the agreement or issuance of the direction of elections unless a longer time is specified in the agreement or direction. A certificate of service on all parties must be filed with the Acting Regional Director when the voter list is filed. The employer's failure to file or serve the list within the specified time or in proper format shall be grounds for setting aside the election whenever proper and timely objections are filed. The parties shall not use the list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

Waiver of Time to Use Voter List – Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 calendar days after the date when the employer must file the voter list with the Regional Office. However, the parties entitled to receive the voter list may waive all or part of the 10-day

period by executing Form NLRB-4483. A waiver will not be effective unless all parties who are entitled to the list agree to waive the same number of days.

Election – Information about the election, requirements to post and distribute the Notice of Election, and possible proceedings after the election is available from the Regional Office and will be provided to the parties when the Notice of Election is sent to the parties.

Withdrawal or Dismissal – If it is determined that the NLRB does not have jurisdiction or that other criteria for proceeding to an election are not met, the petitioner is offered an opportunity to withdraw the petition. If the petitioner does not withdraw the petition, the Acting Regional Director will dismiss the petition and advise the petitioner of the reason for the dismissal and of the right to appeal to the Board.

Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. A separate form must be completed for each timely filed and properly served Statement of Position you receive. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must E-File your Responsive Statement of Position at www.NLRB.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed. Note that if you are completing this form as a PDF downloaded from www.NLRB.gov, the form will lock upon signature and no further editing may be made.**

Required List: In addition to responding to the issues raised in another party's Statement of Position, if any, the Employer-Petitioner in an RM case is required to file and serve on the parties a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. This list must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the list in the required form, the list must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Consequences of Failure to Submit a Responsive Statement of Position: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

URGENT

(b) (6), (b) (7)(C)

Re: Care Point Health - Christ Hospital
Case 22-RD-283644

Dear (b) (6), (b) (7)(C)

The enclosed petition that you filed with the National Labor Relations Board (NLRB) has been assigned the above case number. This letter tells you how to contact the Board agent who will be handling this matter; explains your obligation to provide the originals of the showing of interest and the requirement that you complete and serve a Responsive Statement of Position form in response to each timely filed and served Statement(s) of Position; notifies you of a hearing; describes the employer's obligation to post and distribute a Notice of Petition for Election, complete a Statement of Position and provide a voter list; requests that you provide certain information; notifies you of your right to be represented; and discusses some of our procedures including how to submit documents to the NLRB.

Investigator: This petition will be investigated by Field Attorney MICHAEL P. SILVERSTEIN whose telephone number is (862)229-7059. The Board agent will contact you shortly to discuss processing the petition. If you have any questions, please do not hesitate to call the Board agent. The Board agent may also contact you and the other party or parties to schedule a conference meeting or telephonic or video conference for some time before the close of business the day following receipt of the final Responsive Statement(s) of Position. This will give the parties sufficient time to determine if any issues can be resolved prior to hearing or if a hearing is necessary. If the agent is not available, you may contact Supervisory Field Examiner FRANK W. FLORES whose telephone number is (862)229-7051. If appropriate, the NLRB attempts to schedule an election either by agreement of the parties or by holding a hearing and then directing an election.

Showing of Interest: If the Showing of Interest you provided in support of your petition was submitted electronically or by fax, the original documents which constitute the Showing of Interest containing handwritten signatures must be delivered to the Regional office within **2 business days**. If the originals are not received within that time the Region will dismiss your petition.

Notice of Zoom Hearing: Enclosed is a Notice of Representation Hearing to be conducted at **10:00 AM on Wednesday, October 20, 2021**, if the parties do not voluntarily

agree to an election. If a hearing is necessary, the hearing will run on consecutive days until concluded unless the Acting Regional Director concludes that extraordinary circumstances warrant otherwise. Before the hearing begins, we will continue to explore potential areas of agreement with the parties in order to reach an election agreement and to eliminate or limit the costs associated with formal hearings.

Upon request of a party showing good cause, the Acting Regional Director may postpone the hearing. A party desiring a postponement should make the request to the Acting Regional Director in writing, set forth in detail the grounds for the request, and include the positions of the other parties regarding the postponement. E-Filing the request is required. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Posting and Distribution of Notice: The Employer must post the enclosed Notice of Petition for Election by **Wednesday, October 6, 2021**, in conspicuous places, including all places where notices to employees are customarily posted. If it customarily communicates electronically with its employees in the petitioned-for unit, it must also distribute the notice electronically to them. The Employer must maintain the posting until the petition is dismissed or withdrawn or this notice is replaced by the Notice of Election. Failure to post or distribute the notice may be grounds for setting aside the election if proper and timely objections are filed.

Statement of Position: In accordance with Section 102.63(b) of the Board's Rules, the Employer and the Union are required to complete the enclosed Statement of Position form, have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition by **noon Eastern Time on Tuesday, October 12, 2021**. The Statement of Position must include a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. If the Employer contends that the proposed unit is inappropriate, it must separately list the full names, work locations, shifts and job classifications of all individuals that it contends must be added to the proposed unit to make it an appropriate unit. The Employer must also indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit.

Required Responsive Statement of Position (RSOP): In accordance with Section 102.63(b) of the Board's Rules, following timely filing and service of a Statement of Position, the petitioner is required to complete the enclosed Responsive Statement of Position form addressing issues raised in any Statement(s) of Position. The petitioner must file a complete, signed RSOP in response to all other parties' timely filed and served Statement of Position, with all required attachments, with this office and serve it on all parties named in the petition such that it is received by them by **noon Eastern Time on Friday, October 15, 2021**. This form solicits information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. **This form must be e-Filed, but unlike other e-Filed documents, will not be timely if filed on the due date but after noon Eastern Time.** If you have questions about this form or would like assistance in filling out this form, please contact the Board agent named above.

Failure to Supply Information: Failure to supply the information requested by the RSOP form may preclude you from litigating issues under Section 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§ 102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Voter List: If an election is held in this matter, the Employer must transmit to this office and to the other parties to the election, an alphabetized list of the full names and addresses of all eligible voters, including their shifts, job classifications, work locations, and other contact information including available personal email addresses and available personal home and cellular telephone numbers. Usually, the list must be furnished within 2 business days of the issuance of the Decision and Direction of Election or approval of an election agreement. The list must be electronically filed with the Region and served electronically on the other parties. To guard against potential abuse, this list may not be used for purposes other than the representation proceeding, NLRB proceedings arising from it or other related matters.

Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 days after the date when the Employer must file the voter list with the Regional Office. However, a petitioner and/or union entitled to receive the voter list may waive all or part of the 10-day period by executing Form NLRB-4483, which is available on the NLRB's website or from an NLRB office. A waiver will not be effective unless all parties who are entitled to the voter list agree to waive the same number of days.

Information Needed Now: Please submit to this office, as soon as possible, the following information needed to handle this matter:

- (a) The correct name of the Union as stated in its constitution or bylaws.
- (b) A copy of any existing or recently expired collective-bargaining agreements, and any amendments or extensions, or any recognition agreements covering any employees in the petitioned-for unit.
- (c) If potential voters will need notices or ballots translated into a language other than English, the names of those languages and dialects, if any.
- (d) The name and contact information for any other labor organization (union) claiming to represent or have an interest in any of the employees in the petitioned-for unit and for any employer who may be a joint employer of the employees in the proposed unit. Failure to disclose the existence of an interested party may delay the processing of the petition.

Right to Representation: You have the right to be represented by an attorney or other representative in any proceeding before the NLRB. In view of our policy of processing these cases expeditiously, if you wish to be represented, you should obtain representation promptly. Your representative must notify us in writing of this fact as soon as possible by completing Form NLRB-4701, Notice of Appearance. This form is available on our website, www.nlr.gov, or from an NLRB office upon your request.

If someone contacts you about representing you in this case, please be assured that no organization or person seeking your business has any “inside knowledge” or favored relationship with the NLRB. Their knowledge regarding this matter was obtained only through access to information that must be made available to any member of the public under the Freedom of Information Act.

Procedures: Pursuant to Section 102.5 of the Board’s Rules and Regulations, parties must submit all documentary evidence, including statements of position, exhibits, sworn statements, and/or other evidence, by electronically submitting (E-Filing) them through the Agency’s web site (www.nlr.gov). You must e-file all documents electronically or provide a written statement explaining why electronic submission is not possible or feasible. Failure to comply with Section 102.5 will result in rejection of your submission. The Region will make its determinations solely based on the documents and evidence properly submitted. All evidence submitted electronically should be in the form in which it is normally used and maintained in the course of business (i.e., native format). Where evidence submitted electronically is not in native format, it should be submitted in a manner that retains the essential functionality of the native format (i.e., in a machine-readable and searchable electronic format). If you have questions about the submission of evidence or expect to deliver a large quantity of electronic records, please promptly contact the Board agent investigating the petition.

Information about the NLRB and our customer service standards is available on our website, www.nlr.gov, or from an NLRB office upon your request. We can provide assistance for persons with limited English proficiency or disability. Please let us know if you or any of your witnesses would like such assistance.

Very truly yours,

A handwritten signature in black ink, appearing to read "Eric Schechter", with a long horizontal flourish extending to the right.

National Labor Relations Board

NOTICE OF PETITION FOR ELECTION

This notice is to inform employees that **(b) (6), (b) (7)(C)** has filed a petition with the National Labor Relations Board (NLRB), a Federal agency, in Case 22-RD-283644 seeking an election to determine if the employees of CARE POINT HEALTH CHRIST HOSPITAL in the unit set forth below wish to be represented by 1199J for the purposes of collective bargaining:

INCLUDED: All full-time and regular part-time non-professional employees in the job titles Building Service Attendants, Cashier (Dietary), Cashiers (Parking), Clinical Partners, Clinical Nursing Assistants, Cooks, Dietary Assistants, File Clerks, Food Service Aides, Guest Relations Associates, Laboratory Assistants, Laboratory Clerks, Lead Attendants, Lead Food Service Aides, Lead Utility Workers, Patient Scheduling Specialists, Patient Representative Liaisons, Registration Associates, Rehabilitation Aides, Support Partners, Unit Secretaries, Utility Workers, Waste Management Attendants employed by the Employer at its 176 Palisade Avenue, Jersey City, New Jersey facility.

EXCLUDED: All professional employees, technical employees, business office clerical employees, skilled maintenance employees, managers, guards, and supervisors, as defined in the Act, and all other employees.

This notice also provides you with information about your basic rights under the National Labor Relations Act, the processing of the petition, and rules to keep NLRB elections fair and honest.

YOU HAVE THE RIGHT under Federal Law

- To self-organization
- To form, join, or assist labor organizations
- To bargain collectively through representatives of your own choosing
- To act together for the purposes of collective bargaining or other mutual aid or protection
- To refuse to do any or all of these things unless the union and employer, in a state where such agreements are permitted, enter into a lawful union-security agreement requiring employees to pay periodic dues and initiation fees. Nonmembers who inform the union that they object to the use of their payments for nonrepresentational purposes may be required to pay only their share of the union's costs of representational activities (such as collective bargaining, contract administration, and grievance adjustments).

PROCESSING THIS PETITION

Elections do not necessarily occur in all cases after a petition is filed. **NO FINAL DECISIONS HAVE BEEN MADE YET** regarding the appropriateness of the proposed unit or whether an election will be held in this matter. If appropriate, the NLRB will first see if the parties will enter into an election agreement that specifies the method, date, time, and location of an election and the unit of employees eligible to vote. If the parties do not enter into an election

agreement, usually a hearing is held to receive evidence on the appropriateness of the unit and other issues in dispute. After a hearing, an election may be directed by the NLRB, if appropriate.

IF AN ELECTION IS HELD, it will be conducted by the NLRB by secret ballot and Notices of Election will be posted before the election giving complete details for voting.

ELECTION RULES

The NLRB applies rules that are intended to keep its elections fair and honest and that result in a free choice. If agents of any party act in such a way as to interfere with your right to a free election, the election can be set aside by the NLRB. Where appropriate the NLRB provides other remedies, such as reinstatement for employees fired for exercising their rights, including backpay from the party responsible for their discharge.

The following are examples of conduct that interfere with employees' rights and may result in setting aside the election:

- **Threatening loss of jobs or benefits by an employer or a union**
- **Promising or granting promotions, pay raises, or other benefits, to influence an employee's vote by a party capable of carrying out such promises**
- **An employer firing employees to discourage or encourage union activity or a union causing them to be fired to encourage union activity**
- **Making campaign speeches to assembled groups of employees on company time, where attendance is mandatory, within the 24-hour period before the polls for the election first open or, if the election is conducted by mail, from the time and date the ballots are scheduled to be sent out by the Region until the time and date set for their return**
- **Incitement by either an employer or a union of racial or religious prejudice by inflammatory appeals**
- **Threatening physical force or violence to employees by a union or an employer to influence their votes**

Please be assured that IF AN ELECTION IS HELD, every effort will be made to protect your right to a free choice under the law. Improper conduct will not be permitted. All parties are expected to cooperate fully with the NLRB in maintaining basic principles of a fair election as required by law. The NLRB as an agency of the United States Government does not endorse any choice in the election.

For additional information about the processing of petitions, go to www.nlr.gov or contact the NLRB at (973)645-2100.

THIS IS AN OFFICIAL GOVERNMENT NOTICE AND MUST NOT BE DEFACED BY ANYONE. IT MUST REMAIN POSTED WITH ALL PAGES SIMULTANEOUSLY VISIBLE UNTIL REPLACED BY THE NOTICE OF ELECTION OR THE PETITION IS DISMISSED OR WITHDRAWN.

CARE POINT HEALTH CHRIST HOSPITAL Employer and (b) (6), (b) (7)(C) Petitioner and 1199J Union	Case 22-RD-283644
--	--------------------------

NOTICE OF ZOOM REPRESENTATION HEARING

The Petitioner filed the attached petition pursuant to Section 9(c) of the National Labor Relations Act. It appears that a question affecting commerce exists as to whether the employees in the unit described in the petition wish to be represented by a collective-bargaining representative as defined in Section 9(a) of the Act.

On March 19, 2020, the Board announced that it was suspending all elections, including mail ballot elections, until at least April 3, due to “the extraordinary circumstances related to the COVID-19 pandemic.” On April 1, 2020, the Board announced that it would not extend its temporary suspension of Board-conducted elections past April 3, 2020 and would instead resume conducting elections beginning Monday, April 6, 2020, because appropriate measures may be available to permit elections to resume in a safe and effective manner, which will be determined by the Acting Regional Director.

YOU ARE HEREBY NOTIFIED that, pursuant to Sections 3(b) and 9(c) of the Act, at 10:00 AM on **Wednesday, October 20, 2021** and on consecutive days thereafter until concluded, at the National Labor Relations Board.

I have decided to conduct the hearing telephonically due to the extraordinary circumstances of COVID-19 and the directions of state or local authorities including but not limited to Shelter in Place orders, travel restrictions, social distancing and limits on the size of gatherings of individuals.

The hearing officer will hold a pre-hearing Zoom via by the way of video conference (with all non-Agency participants using call-in only) at **10:00 AM on Friday, October 8, 2021** to discuss the logistics of the hearing.

YOU ARE FURTHER NOTIFIED that, pursuant to Section 102.63(b) of the Board's Rules and Regulations, CARE POINT HEALTH CHRIST HOSPITAL and 1199J must complete the Statement of Position and file it and all attachments with the Acting Regional Director and serve it on the parties listed on the petition such that it is received by them by no later than **noon** Eastern time on **Tuesday, October 12, 2021**. Following timely filing and service of a Statement of Position by CARE POINT HEALTH CHRIST HOSPITAL and 1199J, the Petitioner must complete its Responsive Statement of Position(s) responding to the issues raised in the Employer's and/or Union's Statement of Position and file them and all attachments with the Acting Regional Director and serve them on the parties named in the petition such that they are received by them no later than **noon** Eastern on **Friday, October 15, 2021**.

Pursuant to Section 102.5 of the Board's Rules and Regulations, all documents filed in cases before the Agency must be filed by electronically submitting (E-Filing) through the Agency's website (www.nlr.gov), unless the party filing the document does not have access to the means for filing electronically or filing electronically would impose an undue burden. Documents filed by means other than E-Filing must be accompanied by a statement explaining why the filing party does not have access to the means for filing electronically or filing electronically would impose an undue burden. Detailed instructions for using the NLRB's E-Filing system can be found in the [E-Filing System User Guide](#)

YOU ARE FURTHER NOTIFIED that if the Employer and/or other non-petitioning parties, if any, raise issues in the submitted Statement(s) of Position, and/or if the Petitioner raises issues in the submitted Responsive Statement of Position, for which the Acting Regional Director decides requires witness testimony during the hearing, I will direct that the hearing be conducted by videoconference and, if necessary, reschedule the hearing. If however, the parties agree to a Zoom hearing notwithstanding that witness testimony is required, or if the hearing will not involve witness testimony, it will proceed by Zoom. *Morrison Healthcare*, 369 NLRB No. 76 (2020).

UNITED STATES OF AMERICA
NATIONAL LABOR RELATIONS BOARD

**DESCRIPTION OF REPRESENTATION CASE PROCEDURES
IN CERTIFICATION AND DECERTIFICATION CASES**

The National Labor Relations Act grants employees the right to bargain collectively through representatives of their own choosing and to refrain from such activity. A party may file an RC, RD or RM petition with the National Labor Relations Board (NLRB) to conduct a secret ballot election to determine whether a representative will represent, or continue to represent, a unit of employees. An **RC** petition is generally filed by a union that desires to be certified as the bargaining representative. An **RD** petition is filed by employees who seek to remove the currently recognized union as the bargaining representative. An **RM** petition is filed by an employer who seeks an election because one or more individuals or unions have sought recognition as the bargaining representative, or based on a reasonable belief supported by objective considerations that the currently recognized union has lost its majority status. This form generally describes representation case procedures in RC, RD and RM cases, also referred to as certification and decertification cases.

Right to be Represented – Any party to a case with the NLRB has the right to be represented by an attorney or other representative in any proceeding before the NLRB. A party wishing to have a representative appear on its behalf should have the representative complete a Notice of Appearance (Form NLRB-4701), and E-File it at www.nlr.gov or forward it to the NLRB Regional Office handling the petition as soon as possible.

Filing and Service of Petition – A party filing an RC, RD or RM petition is required to serve a copy of its petition on the parties named in the petition along with this form and the Statement of Position form. The petitioner files the petition with the NLRB, together with (1) a certificate showing service of these documents on the other parties named in the petition, and (2) a showing of interest to support the petition. The showing of interest is not served on the other parties.

Notice of Hearing – After a petition in a certification or decertification case is filed with the NLRB, the NLRB reviews the petition, certificate of service, and the required showing of interest for sufficiency, assigns the petition a case number, and promptly sends letters to the parties notifying them of the Board agent who will be handling the case. In most cases, the letters include a Notice of Representation Hearing. Except in cases presenting unusually complex issues, this pre-election hearing is set for a date 14 business days (excluding weekends and federal holidays) from the date of service of the notice of hearing. Once the hearing begins, it will continue day to day until completed absent extraordinary circumstances. The Notice of Representation Hearing also sets the due date for filing and serving the Statement(s) of Position and the Responsive Statement of Position(s). Included with the Notice of Representation Hearing are the following: (1) copy of the petition, (2) this form, (3) Statement of Position for non-petitioning parties, (4) petitioner's Responsive Statement of Position, (5) Notice of Petition for Election, and (6) letter advising how to contact the Board agent who will be handling the case and discussing those documents.

Hearing Postponement: Requests to postpone the hearing are not routinely granted, but the Acting Regional Director may postpone the hearing for good cause. A party wishing to request a postponement should make the request in writing and set forth in detail the grounds for the request. The request should include the positions of the other parties regarding the postponement. The request must be filed electronically ("E-Filed") on the Agency's website (www.nlr.gov) by following the instructions on the website. A copy of the request must be served simultaneously on all the other parties, and that fact must be noted in the request.

Statement of Position Form and List(s) of Employees – The Statement of Position form solicits commerce and other information that will facilitate entry into election agreements or streamline the pre-election hearing if the parties are unable to enter into an election agreement. In an **RC** or **RD** case, as part of its Statement of Position form, the employer also provides a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. If the employer contends that the proposed unit is not appropriate, the employer must separately list the same information for all individuals that the employer contends must be added to the proposed unit to make it an appropriate unit, and must further indicate those individuals, if any, whom it believes must be excluded from the proposed unit to make it an appropriate unit. These lists must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the lists in the required form, the lists must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10

or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx

Ordinarily the Statement of Position must be filed with the Regional Office and served on the other parties such that it is received by them by noon 8 business days from the issuance of the Notice of Hearing. The Acting Regional Director may postpone the due date for filing and serving the Statement of Position for good cause. The Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Statement of Position due date. If a party wishes to request both a postponement of the hearing and a postponement of the Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Responsive Statement of Position – Petitioner's Responsive Statement(s) of Position solicits a response to the Statement(s) of Position filed by the other parties and further facilitates entry into election agreements or streamlines the preelection hearing. A petitioner must file a Responsive Statement of Position in response to each party's Statement of Position addressing each issue in each Statement of Position(s), if desired. In the case of an RM petition, the employer-petitioner must also provide commerce information and file and serve a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit. Ordinarily, the Responsive Statement of Position must be electronically filed with the Regional Office and served on the other parties such that it is received by noon 3 business days prior to the hearing. The Acting Regional Director may postpone the due date for filing and serving the Responsive Statement of Position for good cause. The Responsive Statement of Position form must be E-Filed but, unlike other E-Filed documents, will not be timely if filed on the due date but after noon in the time zone of the Region where the petition is filed. Consequences for failing to satisfy the Responsive Statement of Position requirement are discussed on the following page under the heading "Preclusion." A request to postpone the hearing will not automatically be treated as a request for an extension of the Responsive Statement of Position due date. If a party wishes to request both a postponement of the hearing and a Postponement of the Responsive Statement of Position due date, the request must make that clear and must specify the reasons that postponements of both are sought.

Posting and Distribution of Notice of Petition for Election – Within 5 business days after service of the notice of hearing, the employer must post the Notice of Petition for Election in conspicuous places, including all places where notices to employees are customarily posted, and must also distribute it electronically to the employees in the petitioned-for unit if the employer customarily communicates with these employees electronically. The employer must maintain the posting until the petition is dismissed or withdrawn, or the Notice of Petition for Election is replaced by the Notice of Election. The employer's failure properly to post or distribute the Notice of Petition for Election may be grounds for setting aside the election if proper and timely objections are filed.

Election Agreements – Elections can occur either by agreement of the parties or by direction of the Acting Regional Director or the Board. Three types of agreements are available: (1) a Consent Election Agreement (Form NLRB-651); (2) a Stipulated Election Agreement (Form NLRB-652); and (3) a Full Consent Agreement (Form NLRB-5509). In the Consent Election Agreement and the Stipulated Election Agreement, the parties agree on an appropriate unit and the method, date, time, and place of a secret ballot election that will be conducted by an NLRB agent. In the Consent Agreement, the parties also agree that post-election matters (election objections or determinative challenged ballots) will be resolved with finality by the regional director; whereas in the Stipulated Election Agreement, the parties agree that they may request Board review of the regional director's post-election determinations. A Full Consent Agreement provides that the Acting Regional Director will make final determinations regarding all pre-election and post-election issues.

Hearing Cancellation Based on Agreement of the Parties – The issuance of the Notice of Representation Hearing does not mean that the matter cannot be resolved by agreement of the parties. On the contrary, the NLRB encourages prompt voluntary adjustments and the Board agent assigned to the case will work with the parties to enter into an election agreement, so the parties can avoid the time and expense of participating in a hearing.

Hearing – A hearing will be held unless the parties enter into an election agreement approved by the Acting Regional Director or the petition is dismissed or withdrawn.

Purpose of Hearing: The primary purpose of a pre-election hearing is to determine if a question of representation exists. A question of representation exists if a proper petition has been filed concerning a unit appropriate for the purpose of collective bargaining or, in the case of a decertification petition, concerning a unit in which a labor organization has been certified or is being currently recognized by the employer as the bargaining representative.

Issues at Hearing: Issues that might be litigated at the pre-election hearing include: jurisdiction; labor organization status; bars to elections; unit appropriateness; expanding and contracting unit issues; inclusion of professional employees with nonprofessional employees; seasonal operation; potential mixed guard/non-guard unit; and eligibility formulas. At the hearing, the timely filed Statement of Position and Responsive Statement of Position(s) will be received into evidence. The hearing officer will not receive evidence concerning any issue as to which the parties have not taken adverse positions, except for evidence regarding the Board's jurisdiction over the employer and evidence concerning any issue, such as the appropriateness of the proposed unit, as to which the Acting Regional Director determines that record evidence is necessary.

Preclusion: At the hearing, a party will be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or Responsive Statement of Position(s) or to place in dispute in timely response to another party's Statement of Position or response, except that no party will be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. As set forth in §102.66(d) of the Board's rules, if the employer fails to timely furnish the lists of employees, the employer will be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

Conduct of Hearing: If held, the hearing is usually open to the public and will be conducted by a hearing officer of the NLRB. Any party has the right to appear at any hearing in person, by counsel, or by other representative, to call, examine, and cross-examine witnesses, and to introduce into the record evidence of the significant facts that support the party's contentions and are relevant to the existence of a question of representation. The hearing officer also has the power to call, examine, and cross-examine witnesses and to introduce into the record documentary and other evidence. Witnesses will be examined orally under oath. The rules of evidence prevailing in courts of law or equity shall not be controlling. Parties appearing at any hearing who have or whose witnesses have disabilities falling within the provisions of Section 504 of the Rehabilitation Act of 1973, as amended, and 29 C.F.R. 100.503, and who in order to participate in this hearing need appropriate auxiliary aids, as defined in 29 C.F.R. 100.503, should notify the Acting Regional Director as soon as possible and request the necessary assistance.

Official Record: An official reporter will make the only official transcript of the proceedings and all citations in briefs or arguments must refer to the official record. (Copies of exhibits should be supplied to the hearing officer and other parties at the time the exhibit is offered in evidence.) All statements made at the hearing will be recorded by the official reporter while the hearing is on the record. If a party wishes to make off-the-record remarks, requests to make such remarks should be directed to the hearing officer and not to the official reporter. After the close of the hearing, any request for corrections to the record, either by stipulation or motion, should be forwarded to the regional director.

Motions and Objections: All motions must be in writing unless stated orally on the record at the hearing and must briefly state the relief sought and the grounds for the motion. A copy of any motion must be served immediately on the other parties to the proceeding. Motions made during the hearing are filed with the hearing officer. All other motions are filed with the regional director, except that motions made after the transfer of the record to the Board are filed with the Board. If not E-Filed, an original and two copies of written motions shall be filed. Statements of reasons in support of motions or objections should be as concise as possible. Objections shall not be deemed waived by further participation in the hearing. On

appropriate request, objections may be permitted to stand to an entire line of questioning. Automatic exceptions will be allowed to all adverse rulings.

Election Details: Prior to the close of the hearing the hearing officer will: (1) solicit the parties' positions (but will not permit litigation) on the type, date(s), time(s), and location(s) of the election and the eligibility period; (2) solicit the name, address, email address, facsimile number, and phone number of the employer's on-site representative to whom the Acting Regional Director should transmit the Notice of Election if an election is directed; (3) inform the parties that the Acting Regional Director will issue a decision as soon as practicable and will immediately transmit the document to the parties and their designated representatives by email, facsimile, or by overnight mail (if neither an email address nor facsimile number was provided); and (4) inform the parties of their obligations if the director directs an election and of the time for complying with those obligations.

Oral Argument and Briefs: Upon request, any party is entitled to a reasonable period at the close of the hearing for oral argument, which will be included in the official transcript of the hearing. At any time before the close of the hearing, any party may file a memorandum addressing relevant issues or points of law. Post-hearing briefs shall be due within 5 business days of the close of the hearing. The hearing officer may allow up to 10 additional business days for such briefs prior to the close of hearing and for good cause. If filed, copies of the memorandum or brief shall be served on all other parties to the proceeding and a statement of such service shall be filed with the memorandum or brief. No reply brief may be filed except upon special leave of the regional director. Briefs including electronic documents, filed with the Acting Regional Director must be formatted as double-spaced in an 8½ by 11 inch format and must be e-filed through the Board's website, www.nlr.gov.

Acting Regional Director Decision - After the hearing, the Acting Regional Director issues a decision directing an election, dismissing the petition or reopening the hearing. A request for review of the regional director's pre-election decision may be filed with the Board at any time after issuance of the decision until 10 business days after a final disposition of the proceeding by the regional director. Accordingly, a party need not file a request for review before the election in order to preserve its right to contest that decision after the election. Instead, a party can wait to see whether the election results have mooted the basis of an appeal. The Board will grant a request for review only where compelling reasons exist therefor.

Voter List – The employer must provide to the Acting Regional Director and the parties named in the election agreement or direction of election a list of the full names, work locations, shifts, job classifications, and contact information (including home addresses, available personal email addresses, and available home and personal cellular ("cell") telephone numbers) of all eligible voters. (In construction industry elections, unless the parties stipulate to the contrary, also eligible to vote are all employees in the unit who either (1) were employed a total of 30 working days or more within the 12 months preceding the election eligibility date or (2) had some employment in the 12 months preceding the election eligibility date and were employed 45 working days or more within the 24 months immediately preceding the election eligibility date. However, employees meeting either of those criteria who were terminated for cause or who quit voluntarily prior to the completion of the last job for which they were employed, are not eligible.) The employer must also include in a separate section of the voter list the same information for those individuals whom the parties have agreed should be permitted to vote subject to challenge or those individuals who, according to the direction of election, will be permitted to vote subject to challenge. The list of names must be alphabetized (overall or by department) and be in the same Microsoft Word file (or Microsoft Word compatible file) format as the initial lists provided with the Statement of Position form unless the parties agree to a different format or the employer certifies that it does not possess the capacity to produce the list in the required form. When feasible, the list must be filed electronically with the Acting Regional Director and served electronically on the other parties named in the agreement or direction. To be timely filed and served, the voter list must be received by the Acting Regional Director and the parties named in the agreement or direction respectively within 2 business days after the approval of the agreement or issuance of the direction of elections unless a longer time is specified in the agreement or direction. A certificate of service on all parties must be filed with the Acting Regional Director when the voter list is filed. The employer's failure to file or serve the list within the specified time or in proper format shall be grounds for setting aside the election whenever proper and timely objections are filed. The parties shall not use the list for purposes other than the representation proceeding, Board proceedings arising from it, and related matters.

Waiver of Time to Use Voter List – Under existing NLRB practice, an election is not ordinarily scheduled for a date earlier than 10 calendar days after the date when the employer must file the voter list with the Regional Office. However, the parties entitled to receive the voter list may waive all or part of the 10-day

period by executing Form NLRB-4483. A waiver will not be effective unless all parties who are entitled to the list agree to waive the same number of days.

Election – Information about the election, requirements to post and distribute the Notice of Election, and possible proceedings after the election is available from the Regional Office and will be provided to the parties when the Notice of Election is sent to the parties.

Withdrawal or Dismissal – If it is determined that the NLRB does not have jurisdiction or that other criteria for proceeding to an election are not met, the petitioner is offered an opportunity to withdraw the petition. If the petitioner does not withdraw the petition, the Acting Regional Director will dismiss the petition and advise the petitioner of the reason for the dismissal and of the right to appeal to the Board.

Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. REVIEW THE FOLLOWING IMPORTANT INFORMATION BEFORE FILLING OUT A RESPONSIVE STATEMENT OF POSITION FORM

Completing and Filing this Form: For **RC and RD petitions**, the Petitioner is required to complete this form in response to each timely filed and served Statement of Position filed by another party. For **RM petitions**, the Employer-Petitioner must complete a Responsive Statement of Position form and submit the list described below. In accordance with Section 102.63(b) of the Board's Rules, if you are required to complete the form, you must have it signed by an authorized representative, and file a completed copy with any necessary attachments, with this office and serve it on all parties named in the petition responding to the issues raised in another party's Statement of Position, such that it is received no later than noon three business days before the date of the hearing. A separate form must be completed for each timely filed and properly served Statement of Position you receive. If more space is needed for your answers, additional pages may be attached. If you have questions about this form or would like assistance in filling out this form, please contact the Board agent assigned to handle this case. **You must E-File your Responsive Statement of Position at www.NLRB.gov, but unlike other e-Filed documents, it will *not* be timely if filed on the due date but after noon in the time zone of the Region where the petition was filed. Note that if you are completing this form as a PDF downloaded from www.NLRB.gov, the form will lock upon signature and no further editing may be made.**

Required List: In addition to responding to the issues raised in another party's Statement of Position, if any, the Employer-Petitioner in an RM case is required to file and serve on the parties a list of the full names, work locations, shifts, and job classifications of all individuals in the proposed unit as of the payroll period preceding the filing of the petition who remain employed at the time of filing. This list must be alphabetized (overall or by department). Unless the employer certifies that it does not possess the capacity to produce the list in the required form, the list must be in a table in a Microsoft Word file (.doc or .docx) or a file that is compatible with Microsoft Word, the first column of the table must begin with each employee's last name, and the font size of the list must be the equivalent of Times New Roman 10 or larger. That font does not need to be used but the font must be that size or larger. A sample, optional form for the list is provided on the NLRB website at [www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional Forms for Voter List.docx](http://www.nlr.gov/sites/default/files/attachments/basic-page/node-4559/Optional%20Forms%20for%20Voter%20List.docx)

Consequences of Failure to Submit a Responsive Statement of Position: Failure to supply the information requested by this form may preclude you from litigating issues under 102.66(d) of the Board's Rules and Regulations. Section 102.66(d) provides as follows:

A party shall be precluded from raising any issue, presenting any evidence relating to any issue, cross-examining any witness concerning any issue, and presenting argument concerning any issue that the party failed to raise in its timely Statement of Position or to place in dispute in response to another party's Statement of Position or response, except that no party shall be precluded from contesting or presenting evidence relevant to the Board's statutory jurisdiction to process the petition. Nor shall any party be precluded, on the grounds that a voter's eligibility or inclusion was not contested at the pre-election hearing, from challenging the eligibility of any voter during the election. If a party contends that the proposed unit is not appropriate in its Statement of Position but fails to specify the classifications, locations, or other employee groupings that must be added to or excluded from the proposed unit to make it an appropriate unit, the party shall also be precluded from raising any issue as to the appropriateness of the unit, presenting any evidence relating to the appropriateness of the unit, cross-examining any witness concerning the appropriateness of the unit, and presenting argument concerning the appropriateness of the unit. If the employer fails to timely furnish the lists of employees described in §§102.63(b)(1)(iii), (b)(2)(iii), or (b)(3)(iii), the employer shall be precluded from contesting the appropriateness of the proposed unit at any time and from contesting the eligibility or inclusion of any individuals at the pre-election hearing, including by presenting evidence or argument, or by cross-examination of witnesses.

**ORDER CANCELLING MANUAL ELECTION AND DIRECTING A MAIL BALLOT
ELECTION**

On September 29, 2021, (b) (6), (b) (7)(C) (Petitioner) filed a decertification petition with Region 22 of the National Labor Relations Board (the Region), seeking an election for certain employees of Hudson Hospital Opco, LLC d/b/a Carepoint Health – Christ Hospital (Employer). On October 18, the Region approved a stipulated election agreement (the Agreement) reached by the parties providing for a manual election. That manual election was scheduled for November 3.

The Agreement required the Employer to submit to the Region certifications no less than 24 hours before the election, which detailed the number of COVID-19 cases present in the Employer's facility within the preceding 14 days. The Employer supplied this information to the Region on November 1. The below chart summarizes the information supplied by the Employer:

Within the preceding 14 days, the number of individuals have been present in the facility who:

Have tested positive for COVID-19 (or has been directed by a medical professional to proceed as if they have tested positive for COVID-19, despite not being tested) within the prior 14 days	3- inpatients; 17- ED treat & release; 2- employees
---	--

Are awaiting results of a COVID-19 test	0
Are exhibiting symptoms of COVID-19, including a fever of 100.4 or higher, cough, or shortness of breath	0
Have had contact with anyone in the previous 14 days who has tested positive for COVID-19 (or who is awaiting test results for COVID-19 or has been directed by a medical professional to proceed as if they have tested positive for COVID-19, despite not being tested)	5

Paragraph 14 of the Agreement provides, in relevant part, that “...(b)ased on the certifications, the Acting Regional Director will consider whether the election should be held as scheduled.” Likewise, Paragraph 4 of the Agreement states that “(t)he Acting Regional Director may, in accordance with the guidance set forth in *Aspirus Keweenaw*, 370 NLRB No. 45 (2020), determine that the scheduled manual-ballot election cannot be safely conducted. In those circumstances, the Acting Regional Director may postpone or cancel the election. If the election is postponed or canceled, the Acting Regional Director, in his or her discretion, may reschedule the date, time, place of the election, or method of the election.”

The Board in *Aspirus Keweenaw* set forth six specific factors for Regional Directors to take into consideration when deciding whether to conduct a mail-ballot election or a manual election due to the COVID-19 pandemic. Those six factors are: 1) The Agency office tasked with conducting the election is operating under “mandatory telework” status; 2) Either the 14-day trend in the number of new confirmed cases of COVID-19 in the county where the facility is located is increasing, or the 14-day testing positivity rate in the county where the facility is located is 5% or higher; 3) The proposed manual election site cannot be established in a way that avoids violating mandatory state or local health orders relating to maximum gathering size; 4) The employer fails or refuses to commit to abide by the GC Memo 20-10 protocols; 5) There is a current COVID-19 outbreak at the facility or the employer refuses to disclose and certify its current status; and 6) Other similarly compelling circumstances. I acknowledge that none of the first five enumerated factors is present here.

For the sixth factor, the Board explained that while it had “enumerated five situations that will ordinarily indicate the propriety of a mail-ballot election, these situations are not exclusive or exhaustive. If a Regional Director directs a mail-ballot election based on other circumstances related to the COVID-19 pandemic, the Board will consider at that time whether those circumstances similarly warrant an exception to its preference for manual elections...To be sure, Regional Directors must continue to exercise their discretion in this area...”

I have carefully considered the parties' preference for a manual election, and even though a manual election might be the prudent course in the absence of the COVID-19 pandemic, I have determined that it is appropriate to cancel the manual election and to direct that a mail ballot election be conducted here. This is the safest and most appropriate method of conducting a prompt election in view of the extraordinary circumstances presented by the pandemic. To this end, the bargaining unit subject to this petition consists of approximately 172 employees who work at an acute-care hospital. While the number of reported COVID cases on the Employer's certifications is relatively low, these infections and the potential for further infections amongst the unit employees, other onsite employees of the Employer, as well as Region personnel assigned to conduct the election is sufficiently concerning. At the time the Region approved the Agreement, we were simply speculating about the number of COVID cases in and around the Employer's facility at the time of the election. Now, on the eve of the election, the Employer's certifications contain real numbers of employees and patients who have tested positive for COVID-19 and who have set foot on the Employer's premises within the past 14 days. Additionally, the seven hours of polling time, along with an additional hour of pre-election conference time, plus considerable additional time for the ballot count, means that Regional personnel will be required to be onsite for approximately 9 hours in the course of one day. Although the Employer has agreed to the required safety precautions contained in the Agreement, I have determined that an in-person manual election under these circumstances poses significant and unnecessary risks to the health and safety of Board agents, party representatives, voters, observers, and the public. The conduct of a manual election invariably requires participants to come within fewer than six feet of one another, while social distancing guidelines provided by Federal, State and Local authorities recommend that individuals remain at least six feet apart. Although certain safety measures, if obeyed by everyone and carried out to perfection, might limit some close interaction and mitigate some of the unnecessary risks associated with conducting a manual election here, the Board's mail-ballot process all but eliminates the inherent safety risks and equally ensures that employees can conveniently and freely exercise their rights to vote or refrain from voting in secret. It is unquestionably possible to perform a fair election which enfranchises all voters via mail ballot.

The Agency has an alternative method of conducting an election via mail ballot. A mail ballot has no apparent significant drawbacks. Any mail ballot election, held at any time under any circumstances, includes procedures by which an employee who has not received a ballot in a timely manner may receive a duplicate mail ballot voting kit. More importantly, a mail ballot election will minimize the risk of exposing employees, Board agents, Employer and Union representatives, their families, and the public to this virus and, thereby, maximize participation. A mail-ballot election provides the certainty of process and procedure to conduct an election within a prompt period and in an effective manner. Accordingly, and confirming prior communication to the parties,

IT IS HEREBY ORDERED that the in-person, manual election scheduled for November 3, 2021 is CANCELLED and that the election shall be rescheduled and conducted as a mail ballot election.

The specific dates and logistics for the conduct of the mail ballot election will be addressed in a subsequent order. It is requested that the Employer post this Order in place of the previously-posted Notice of Election.

Dated: November 2, 2021.

ORDER DIRECTING MAIL BALLOT ELECTION

On November 2, 2021, I issued an Order Cancelling Manual Election and Directing a Mail Ballot Election. In accordance therewith, the National Labor Relations Board will conduct a secret ballot election by mail among the employees in the appropriate collective bargaining unit in the Stipulated Election Agreement entered into by the parties and approved by the Acting Regional Director on October 18, 2021. Employees will vote on whether or not they wish to be represented for purposes of collective bargaining by District 1199J, National Union of Hospital and Health Care Employees, AFSCME, AFL-CIO (the Intervenor). The details of the Mail Ballot Election to be conducted in this matter are as follows:

ELECTION

The election will be conducted by United States mail. The mail ballots will be mailed to employees employed in the appropriate collective-bargaining unit from the office of the National Labor Relations Board, Region 22, on Friday, November 12, 2021. Voters must return their mail ballots so that they will be received in the National Labor Relations Board, Region 22 office by close of business on Friday, December 3, 2021.

Voters must sign the outside of the envelope in which the ballot is returned. Any ballot received in an envelope that is not signed will be void. If any eligible voter does not receive a mail ballot or otherwise requires a duplicate mail ballot kit, they should contact the Board at (862) 229-7059 or (Michael.Silverstein@nlrb.gov) by no later than 5:00 p.m. on Friday, November 19, 2021, in order to arrange for another mail ballot kit to be sent to that employee.

Due to the extraordinary circumstances of COVID-19 and the directions of state and local authorities including but not limited to Shelter in Place orders, travel restrictions, social distancing and limits on the size of gatherings of individuals, the ballot count will take place on a date to be determined by the Regional Director during the period from Friday, December 10, 2021 through Friday, December 17, 2021, inclusive. The Region will provide notice to the parties of the scheduled date for the count at least 24 hours prior to the count. For the same reasons, the Parties further agree that the count will take place virtually on a platform (such as Zoom, Skype, WebEx, etc.) to be determined by the Regional Director. Each party will be allowed to have one observer attend the virtual ballot count

If the mail ballot election and/or count is postponed or canceled, the Regional Director, in her discretion, may reschedule the date, time, and place of the election.

POSTING OF NOTICES OF ELECTION (Rescheduled).

Notices of Election (Rescheduled) will be electronically transmitted to the parties, if feasible, or by overnight mail if not feasible. Section 102.67(k) of the Board's Rules and Regulations requires the Employer to timely post copies of the Board's official Notice of Election in conspicuous places, including all places where notices to employees in the unit are customarily posted. You must also distribute the Notice of Election electronically to any employees in the unit with whom you customarily communicate electronically. In this case, the notices must be posted and distributed **before 12:01 a.m. on Monday, November 8, 2021**. Pursuant to Section 102.67(k), the Employer's failure to timely post or distribute the election notices is grounds for setting aside the election if proper and timely objections are filed. However, a party is estopped from objecting to the nonposting or nondistribution of notices if it is responsible for the nonposting or nondistribution. If the Employer does not receive copies of the Notice by November 4, 2021, it should notify the Regional Office immediately.

Please be advised that in a mail ballot election, the election begins when the mail ballots are deposited by the Region in the mail.

Dated: November 3, 2021.

Attachment: Notice of Bargaining Obligation

NOTICE OF BARGAINING OBLIGATION

In the recent representation election, a labor organization received a majority of the valid votes cast. Except in unusual circumstances, unless the results of the election are subsequently set aside in a post-election proceeding, the employer's legal obligation to refrain from unilaterally changing bargaining unit employees' terms and conditions of employment begins on the date of the election.

The employer is not precluded from changing bargaining unit employees' terms and conditions during the pendency of post-election proceedings, **as long as** the employer (a) gives sufficient notice to the labor organization concerning the proposed change(s); (b) negotiates in good faith with the labor organization, upon request; and (c) good faith bargaining between the employer and the labor organization leads to agreement or overall lawful impasse.

This is so even if the employer, or some other party, files objections to the election pursuant to Section 102.69 of the Rules and Regulations of the National Labor Relations Board (the Board). If the objections are later overruled and the labor organization is certified as the employees' collective-bargaining representative, the employer's obligation to refrain from making unilateral changes to bargaining unit employees' terms and conditions of employment begins on the date of the election, not on the date of the subsequent decision by the Board or court. Specifically, the Board has held that, absent exceptional circumstances,¹ an employer acts at its peril in making changes in wages, hours, or other terms and conditions of employment during the period while objections are pending and the final determination about certification of the labor organization has not yet been made.

It is important that all parties be aware of the potential liabilities if the employer unilaterally alters bargaining unit employees' terms and conditions of employment during the pendency of post-election proceedings. Thus, typically, if an employer makes post-election changes in employees' wages, hours, or other terms and conditions of employment without notice to or consultation with the labor organization that is ultimately certified as the employees' collective-bargaining representative, it violates Section 8(a)(1) and (5) of the National Labor Relations Act since such changes have the effect of undermining the labor organization's status as the statutory representative of the employees. This is so even if the changes were motivated by sound business considerations and not for the purpose of undermining the labor organization. As a remedy, the employer could be required to: 1) restore the status quo ante; 2) bargain, upon request, with the labor organization with respect to these changes; and 3) compensate employees, with interest, for monetary losses resulting from the unilateral implementation of these changes, until the employer bargains in good faith with the labor organization, upon request, or bargains to overall lawful impasse.

¹ Exceptions may include the presence of a longstanding past practice, discrete event, or exigent economic circumstance requiring an immediate response.
